

## STEWARDSHIP 2023 | A NOTE FROM THE RECTOR

### Dear friends,

How strange is it that—on the other side of a pandemic that asked so much of all of us—**it's gratitude** that rises to the top of what we're feeling? It's gratitude for our life today, for our families, friends and neighbors, for our church, for each other.

This fall, let's celebrate the chance we have now to move forward, building on what has endured and embracing the future. It's a roll-up-your-sleeves and "dig in" kind of moment. We're blessed with new opportunities to create what's next at Holy Spirit.

# Living in Gratitude

# We're grateful for you.

Your support for Holy Spirit continues to be remarkable and inspiring. Our yearly stewardship effort this month asks us to connect with this overarching thankfulness as we work to shape the future of Holy Spirit.

Let **Living in Gratitude** be a touchpoint for you this fall, as we begin another church year with love and hope for the days ahead.

Faithfully,
