

Dear friends,

Here at Holy Spirit, as everywhere, we're experiencing a settling out from the many cares of the pandemic and—perhaps not surprisingly—a sense of **renewal and gratitude**. By the grace of God and the commitment of each of you, our church community is poised to explore what's next.

How do we build from here? What do we hear in the “God nudges” that steer us? This fall, let's enjoy the chance to work and worship together and rejoice in this moment of fresh possibilities.

We have so much to be thankful for

The choir is back, we're taking communion at the altar, the new Family Service is growing, our Courtyard Sale flourished, Holy Spirit's Social Concerns ministry is celebrating 20 years of outreach, and we've just hosted a successful Diocesan Convention. And there is more to come.

Our annual stewardship effort this month asks us to step into this abiding sense of thankfulness for our life today and realize we have what we need to meet a world of new opportunities. **As always, we're grateful for you.**

Faithfully,

Terri+
