See Them Home- Fully Funded!

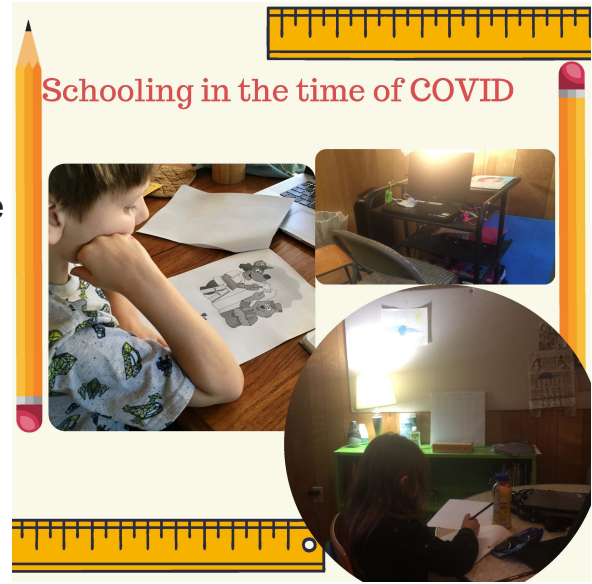

Thank you volunteers, supporters, and donors who made this happen. This project has been years in the making, but we did it! We not only reached our \$8 million fundraising goal, but blew past it. Thank you doesn't convey our appreciation for all of you. Many Thanks.- MIC & Family Promise

Family Promise

Childcare and School Support

MIC & Family Promise received a child care grant from the state of Montana to support our families in tutoring and childcare. Not only has this been a huge relief for parents and care givers, but the special tutoring attention means that many of our students who were behind are now caught up with their class. Many Thanks!

Housing Advocate Network

Housing Advocates are working with many people in our community, including:

- Families experiencing homelessness- at Family Promise, the YWCA's emergency housing program, or on a waiting list for one or more community programs.
- Individuals who are impacted by the criminal justice system
- Transitional Age Youth (18-24) who are experiencing homelessness.

MIC Annual Report

Thank you to all our supporters- donors, volunteers, cheerleaders, and followers for making Fiscal Year 2019/2020 a success, while in the midst of a pandemic. We would not have been able to make the connections, build community, support individuals and families experiencing homelessness, or put people back to work without you all. Thank you for the unwavering support. [For a more in depth report, click here.](#)

Become a Monthly Donor

MIC programs continue to operate at full capacity and then some during COVID-19. As we plan for the uncertainty of the fall/winter, we are again reminded of our donors who are helping us reach our sustainable funding goals. Monthly donors are so important to us because your gift keeps giving month after month. Donations of \$5, \$10, \$25, or more per month are so appreciated.
