Congratulations Hilary Rosa!

In addition to her work as an MIC board member and HAN advocate, Hilary Rosa spent her last year as an AmeriCorps VISTA for the University of Montana Food Pantry.

She submitted a grant proposal to produce a UM Pantry-inspired cookbook with the goal of reducing barriers to nutrition. The cookbooks are hot off the press and now available to UM Students, free of charge.

Congrats Hilary and thank you for ALL you do to support members of our community.

We also want to give a shoutout to Montana Food Bank Network for supporting the project.

Organizing Training is Postponed

Due to unexpected circumstances, the organizing training with Pheonix Rising Transitions scheduled for July 29-30 has been postponed. We will continue to keep you updated about future developments.
