A Night Without A Bed - October 22nd

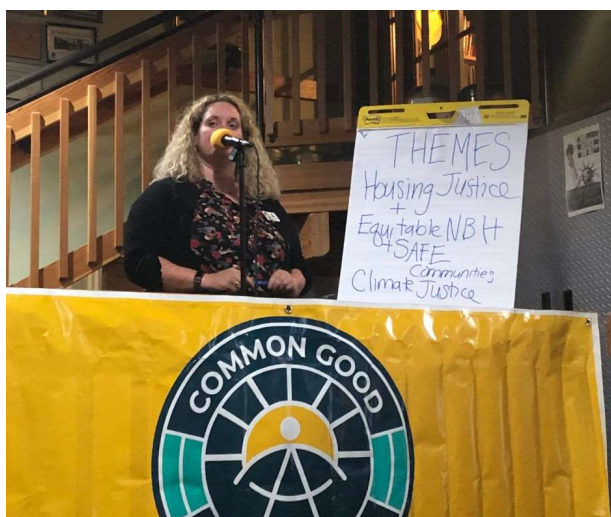

Night Without a Bed is Family Promise's annual social media challenge to raise awareness about family homelessness. Families with children make up 35 percent of the nation's homeless population. This year, the U.S. housing crisis has grown worse as inflation has risen, and a growing number of families are unable to find available and affordable housing.

At Family Promise, we work with our volunteers, donors, and community members to help families get housed and stay housed. Help us take action and raise awareness of the growing homeless crisis. [Night Without A Bed- Missoula](#)

Announcing Common Good Missoula's Organizing Campaign!

Members of the 30 Common Good Missoula organizations held a gathering on September 15th to determine key actions they want to collectively organize around to move toward positive change in our community.

Through consensus, the delegates worked together to discern a city-wide campaign plan: **Common Good Missoula's Campaign for a Just, Equitable and Connected Community.**

The campaign will be comprised of three action committees:

- 1) Housing
- 2) Climate
- 3) Community Connection and Accessibility.

Keep an eye out for updates about this campaign as well as ways to get involved in the organizing work!
