MIC Tours

We're starting something new here at MIC, to spread the word about our work and help get more people involved! Please come yourself, and bring a friend, to a tour of the Family Promise Day Center, and learn more about all of our programs! The tours will happen once a month on the 3rd Thursday, from 12pm-1pm.

The next open tour will be **Thursday, February 15th, from 12pm-1pm** at the Day Center. A light lunch will be served. Please RSVP to Rebecca at MIC (207-8228 or rebecca@micmt.org) so we can get an accurate count for food :) The following tour is **Thursday, January 18th.**

If December doesn't work, let us know if a future tour will work!

Hello Friends! Interested In Being A Housing Advocate?

This is your reminder that the monthly volunteer training for HAN advocates takes place once a month. These trainings are meant to deepen our knowledge of housing advocacy, and we will concentrate on different subjects each month. We can also use this as an opportunity to share new resources that we may have found useful during our work. For this reason we ask that you try to attend regularly if you are able to do so. Please RSVP by calling the MIC office at 406-207-8228. Thank you!

GET IT DONE CREW!

If you need the crew please call us: 926-3400.

What It Is:

Missoula Works is an organization started by MIC with a mission to employ anyone committed to work. To do this, Missoula Works runs a staffing agency and the newest edition is the "GET IT DONE" Crew. This crew does lawn service, building or house maintenance or most anything a person wants off their fall/winter project list.

Successful Meaningful Change Leadership Intensive

We hosted our first Meaningful Change Leadership Intensive. Many of our community members are developing leaders--40 people from 9 different congregations attended! We are looking forward to training more leaders. The next training will be January 16 and 17. At the training future leaders will learn:

Organizing for Change: How to inspire and mobilize people for meaningful community change.

Engaging Political Leaders: Skills and practices for effectively influencing policy makers.

Crafting Effective Communication: Crafting your powerful story for media, face to face meetings, giving testimony.
