

STEWARDSHIP 2022 | A NOTE FROM THE RECTOR

Dear friends,

New, heightened worries about Covid—when hopes were so high—have us asking ourselves again to tap our reservoirs of hope. The good news is that our hope is sustaining us and we are resilient. In fact, the people of Holy Spirit are creating new ministries, from the field trips of Creation Ministries to a vibrant Courtyard sale that yielded a wealth of in-person reunions. The church continues to be a place of solace and renewal for you and for all of us.

Whether it is in nature-inspired virtual services (back this fall), in-person worship in our sanctuary, or any number of small group gatherings for prayer, Bible study or outreach, there is a place of connection for you at Holy Spirit.

Take heart.

Take part.

Reconnect with Holy Spirit

Thank you for your faithfulness.

Support for Holy Spirit both financially and in so many other ways has been **exceptionally strong** over the last year. Our yearly stewardship effort this month asks us to look ahead with the same sense of optimism and flexibility that has carried us forward.

Today, I invite you to Take Heart and Take Part—renew at Holy Spirit—as we work through another demanding season with love and hope.

Faithfully,

Terri+
